

# Privacy Statement

The SMRPA recognises that your privacy is very important to you and that you have a right to control your personal information. We know that providing personal information is an act of trust and we take that seriously. This privacy policy outlines the way your data will be handled and stored.

**Your email address will NEVER be displayed on this website. Email addresses are stored confidentially and securely with multi-layer protection.**

We will not email you anything unrelated to SMRPA & our petition. If your email address is supplied, it will be stored securely.

If you are signing a petition, you may be sent a signature receipt by email that confirms that you have signed the petition. The receipt is for your records and provides information about how to edit and manage your signature. Your email address may be used for signature verification by SMRPA when we conduct quality control of a signature list. This is important to maintain high standards of signature list integrity. Quality signature lists promote quality petitions and successful campaigns.

## **Your information**

SMRPA will not give or sell your personal information to any third party. If signing a petition, your information can be accessed by the petition's author. Petition authors agree to use signatures responsibly, legally and in compliance with our Terms and this Privacy Policy. This may involve the author contacting you about the campaign you have supported at SMRPA. Authors also have permission to forward petition signatures to the relevant petition's target, so petition targets may also ultimately view signature details. Authors agree not to republish petition signatures on any other website or public media forum.

## **Signature and Signature Comment Display and Search Engine Access to Signature Lists and Signature Comments**

If you are signing a petition your signature and signature comment (**excluding your email address and street address**) may be publicly displayed in a signature list (and signature comment page). Each petition at SMRPA has a public signature list that publicly displays at SMRPA all those who sign each petition. **Our public lists do not include email or street addresses** but may include your town/city.
